HOW DOES IT WORK?

- Mission 500 works with your organization to plan and execute a meaningful and memorable team building experience.
- Mission 500 facilitates the delivery of the supplies needed for your event.
- You host the team building event to assemble the disaster hope packs and write notes of encouragement to each recipient.
- You can choose to personally distribute the hope packs to a community in crisis or Mission 500 can help facilitate the shipment and distribution to a trusted partner.
